Item/Project	Cost	Objectives	Outcomes
PE Coaching for Monday and Friday afternoons	£6,240.00	Improve the provision of PE at Croscombe C of E Primary School.	High quality provision is in place and the children benefit from well-planned lessons and a varied programme. Lessons are consistently rated as good by the company and by staff
After school club.	£2,840.00	Provide active after school activities.	This has not proved as successful and has required further financial support because of lower take up than expected.
Subsidise Transport Costs and Swimming Instructors Summer and Autumn 2017	£530.00	To allow children to access Swimming lessons	To help children become more confident in the water so that they can achieve 25m by the end of Year 6. All bar two of our children have achieved 25m before entering Year 5. They will continue to attend lessons.
Resources	£324.00	To enhance provision of PE and active playtimes	Resources have been well targeted and are providing stimulus for active play for many children. We did not spend as much as expected as resources have been shared with Stoke St Michael and this has lessened need.
