

Dear Parents and Carers,

As we plan for September 2025, we have had to make the difficult decision, based on current pupil numbers, to adjust our school internal structure. This decision is solely based on current and enrolment numbers for September 2025.

Rest assured, we are all committed to maintaining high quality teaching, and our teachers and teaching assistants are experienced in handling mixed year groups.

With the two classes, we have been able to maintain the additional full-time classroom support to ensure we have the flexibility to teach differentiated groups and key focused individual support.

Hopefully you will be pleased to hear that myself and the existing school leadership team of Mrs Massey-Sturgess and Mrs Bloom will continue to promote high quality teaching and learning ensuring progress is maintained as well as giving stability in the leadership team.

Class	Year Groups
Daisies	Reception, Year 1, Year 2 and Year 3
Sunflowers	Year 4, Year 5 and Year 6

Staffing structure remains the same.

We are so proud of our achievements and the development in the curriculum this year. We have also seen some clear evidence of great progress from the children, based on internal and external assessments. The staff will continue to look for opportunities to continue the curriculum development next year and enhancing enrichment opportunities are always being considered by Mrs Massey- Sturgess and the staff. This will give the children the unique experience of working together with our amazing staff and building – something no other school can offer.

Your support and cooperation is truly appreciated and will undoubtedly contribute to the continued success of our school community.

Mr Partridge
